

Technical Bulletin

HAMMOND ORGAN

"music's most glorious voice"

August 16, 1965

TO ALL MAINTENANCE ENGINEERS - CHANGES

NO. MODELS

SUBJECT: Service Manual E-100 Instruments

22 E-100 series
E-200 series
E-300 series

Enclosed is a copy of the Service Manual for the recently introduced "E" series of instruments. We suggest you review this book thoroughly, in order to acquaint yourself with the circuitry associated with the new features incorporated in these instruments.

At this time of year your local school system is usually alerting, by route of newspapers, persons interested in reviewing or updating their electronic knowledge. Sophisticated circuitry, is, and will appear more often in all electronic products, making the updating of your knowledge a must. We strongly urge you to consider such classes as will assist you in your day-to-day work.

NOTE: This bulletin is a confidential letter to the Hammond dealer organization and is not for general distribution.
HAMMOND ORGAN COMPANY, 4200 W. DIVERSEY AVE., CHICAGO, ILL., 60639
