President's Message

Hello Everyone,

It is hard to believe we have come to the end of another MTOS concert season. The audience seemed to enjoy the Dave Wickerham program. Dave is a genuinely nice guy and relates well to the audience. Our concert was his last as a Florida resident. He and his family drove over from Boca Raton, visited family in the area, played our concert, and then drove back to a truck that was loaded with his household goods for his move to Michigan. There are only a few full time artists who are good enough to make a living playing the theatre organ and Dave is one of them. We wish him and his family well as they move to their next phase in life.

Our regular meeting in April will feature Jim Reinhart, the son of our loyal member and board Secretary, Frances Reinhart, who also brings the cookies and ice tea to our regular meetings.

Jim has played the Forker Wurlitzer on previous occasions when he was in the area, but I was unable to hear him. Those who heard him had nothing but praise for his playing.

I would like to thank all those who have helped during this concert season. As most of us in the Manasota Theatre Organ Society become more mature, (You decide what that means) it becomes more difficult to volunteer our services, yet we have a faithful group who contact me with the question, "What can I do to help?" I am very proud of them, our service to the community, and the opportunity to continue the grand tradition of the theatre organ. I think Tyson Forker would also be proud.

See you on the fifteenth.

President**

Happy Birthday, to all members born in April

3 – David Henderson 28 – Jean Stone
 21 – Eloise Pett 29 – Bob Briner
 21 – Sandra Psenicka 30 – Joseph Leopold
 28 – Janet Mueller

Please notify me if your birthday has not been listed, or if it is incorrect.

What's our number?

Now that our concert season is completed, let's take a minute or two to consider the results. For the three concerts this year, we sold tickets totaling \$13,996. This came from seasonal tickets (three for \$40), pre-sold tickets (\$15) and those sold at the door (\$18), averaging about \$15.60 each for 897 tickets. The artists' fees and travel expenses along with advertising, postage and printing totaled \$9,242, leaving a net gain of \$4,754. Thus, the three concerts averaged \$1,585 net gain each.

So how many tickets must we sell to break even? That would be 592 (\$9,242 divided by \$15.60) or 197 per concert. As a rough guideline, we use 200 as our break-even target for ticket sales for each concert.

George Milburn, Treasurer

Jim Reinhart

April 15, 2012
2:00 P.M.

Jim Reinhart grew up in Detroit, Michigan and became interested in the organ at age 9 when his parents purchased a small spinet organ. After showing great interest, his parents quickly updated to a full-sized organ. He began taking lessons from a local church organist and in a short time was playing the organ for church services at age eleven. Jim played regularly at several churches throughout his school years, right up until serving in the U. S. Coast Guard. While in the Coast Guard, Jim was sometimes found at the organ console at the base chapel.

After the Coast Guard, Jim married his wife, Lynda, and began building his first organ from a kit. With his electronics and technical background, over the years Jim was able to add many modern features and improvements to this instrument, making it a one-of-a-kind.

Although his initial training was primarily for church music, Jim has always had a strong love for the theatre organ. Having taken some popular music training on the electronic organ during his school years, most of Jim's theatre organ technique has been self-taught. Currently working in the field of telecommunications, Jim always enjoys spending much of his spare time in organ related activities.

Letters and ballots will then be mailed at the appropriate time in early June to those MTOS members who are also members of ATOS for their vote. There will be instructions in the letter as to the procedure for voting.

If you are a member of MTOS, but are not a member of ATOS, it is not too late to join ATOS. Yvonne George has information or you may go directly to ATOS.org to join.

**CLARK WILSON CONCERT
Sunday, February 19, 2012**

Presiding Officers
President: Chuck Pierson
Vice President: Mary Alexander
Treasurer: George Milburn
Secretary: Frances Reinhart
Directors at Large: Ken Alexander,
Norm Arnold, & Tom Hoehn

Our May 18th concert had Dave Wickham as the guest artist. John Fischer was our Master of Ceremonies and came forward to tell about the organ, how it originated, and how Carol Scutt, the daughter of Tyson Forker, had provided funds for the organ after his death. Carol was introduced and received a round of applause.

John mentioned former concerts, also the present one and the upcoming program on April 15th which will have Jim Reinhart as guest artist.

Dave sat down to the console at 2:35 P.M. His opening number was: *Get Happy*, followed by *I'm in Heaven*.

Dave played *Happy Birthday* to two of our members who were celebrating their birthdays: Frank George which was the 17th of March, and Joanne Pierson on the 18th. Everyone sang along and gave them applause.

Dave then went into some Irish music such as *When Irish Eyes are Smiling* and *My Wild Irish Rose*. Dave then played some ragtime music with the piano and then dedicated a song to his wife called *The Rose*.

Dave played several hymns: *Fairest Lord Jesus*, *Shall We Gather At the River* and ended with a rendition of *How Great Thou Art*.

During intermission people made a list of songs they would like to hear and when the second session began, he played a medley of the songs requested.

Dave received a standing ovation and for his final number he played the *Washington Post March*. The program was very well received and enjoyed by all.

Respectfully submitted: Frances Reinhart, Secretary, on this date: February 20, 2012.
